# About evergreentennis

- Evergreen Tennis opened in 2014 after developing and constructing an indoor 4-court tennis facility, creating a successful business that is valued in our community.
- Fall 2018, Evergreen Tennis began offering pickleball on the tennis courts during limited times to assess the market.
- Today, Evergreen Tennis is pursuing plans to construct an indoor 4-court pickleball facility with translucent ceiling.
- Land is already owned and sited for the pickleball building.
- The pickleball building and additional parking is approved by the City of Camas as “phase 2” development of Evergreen Tennis.
- Infrastructure, clubhouse, staff and software is already in place.
