

## Evergreen Tennis Foundation Scholarship

The Evergreen Tennis Foundation Scholarship was created in 2016 by Andrew Lee, a Camas High School senior. As his senior project, Andrew worked with Evergreen Tennis to develop a foundation to raise funds for scholarships to assist junior players who need help paying for tennis instruction. The number of scholarships and award amounts will be based on funds available. The Evergreen Tennis Foundation mission is to encourage junior tennis players to improve their tennis skills and inspire a love of the game by providing tennis scholarships to players in need.

**Who Is Eligible:** Any local junior tennis player (ages 5-18), who needs financial assistance to pay for continued tennis lessons. The scholarship committee will consider need to be the highest factor when awarding this scholarship. Other factors will be based on the essay and completed application packet. Recipients should confirm their willingness to help in some way with future fundraisers for the Evergreen Tennis Foundation.

**Application Deadline:** Completed applications will be reviewed periodically, typically each June 15, August 15, and December 15, when funds are available.

Mail or turn in completed application to:  
Evergreen Tennis Foundation  
5225 NW 38th Ave.  
Camas, WA 98607
