

Evergreen Tennis Foundation Scholarship

Our mission is to encourage junior tennis players to improve their tennis skills and inspire a love of the game by providing tennis scholarships to players committed to taking their tennis to the next level.

The Evergreen Tennis Foundation Scholarship was created in 2016 by Andrew Lee, a Camas High School senior. As his senior project, Andrew worked with Evergreen Tennis to develop a foundation to raise funds for scholarships to assist junior players who need help paying for tennis instruction. The number of scholarships and award amounts will be based on funds available. The scholarships will provide recipients with tennis lessons on site from Evergreen Tennis.

Who Is Eligible: Any local junior tennis player (ages 5-18), who is committed to improving their tennis skills and needs financial assistance to pay for additional tennis lessons. The scholarship committee will consider dedication to tennis to be the highest factor when awarding this scholarship. Other factors will be based on the essay and completed application packet. Recipients should confirm their willingness to help in some way with future fundraisers for the Evergreen Tennis Foundation.

Application Deadline: Completed applications will be reviewed as received, and approval depends on having funds available.

Mail or turn in completed application to:
Evergreen Tennis Foundation
5225 NW 38th Ave.
Camas, WA 98607

If you have any questions please contact the Evergreen Tennis front desk for assistance, e-mail membership@evergreentennis.net or go to the website www.evergreentennis.net/foundation.
